

Neighbors Looking Out For Each Other...

NEIGHBORHOOD WATCH

Is one of the most effective and least costly ways to prevent crime.

NEIGHBORHOOD WATCH

Forges bonds among area residents. It helps reduce neighborhood crimes and creates a partnership between law enforcement and the community.

NEIGHBORHOOD WATCH

Fights the isolation that crime both creates and feeds upon.

NEIGHBORS

LAW ENFORCEMENT
makes the best crime
fighting team around!

Any community resident can join a Neighborhood Watch; young or old, single or married, renter or homeowner.

Members can learn how to make their homes more secure, watch out for each other and the neighborhood, and report suspicious activities to the Sheriff's Department.

You can form a Neighborhood Watch group for any area: a street, mobile home park, apartment complex, marina, community recreation center, or park.

Neighborhood Watch groups are not vigilantes. They are extra eyes and ears for reporting crime and helping neighbors.

Neighborhood Watch builds pride and serves as a springboard for efforts that address community needs.
